What is not known of your plans and conspiracies, will be discovered and anticipated, and the first outbreak against the quiet and peace of society, that assumes the form of insurrection, will signalize the destruction of your cherished hopes and the rain of your race.

That you may not longer be deceived, by the restless spirits — white or black—that lure you to your ruin. I publish for your information, the following endorsements of Gen. E. O. C. Ord, made on the communications above referred to, viz:

They will be informed that it is the duty of the soldiers to put down by arms, (that is by killing it necessary) the outlaws engaged in taking by Gree or violence, the property of others."

"Gen. Gillem has directions to arrest

The reverses of the past two years; the want of confidence in the ture-of money, credits or food to support a arge and probably unoccupied laboring popuation threaten in the coming year, to produce discontent-perhaps out-breaks and violence among the poor and distressed.

I wish to make a statement to the public, of the case of my little son, only 314 years ald, who was so terribly afflicted with cancer, which was thought to be incurable when 1 placed him under the Doctor's care. The caner was a very large one, involving almost the entire cheek. It appeared to be of a very malignant character, and rapid growth, and had been coming for about three years. The Doctor made an application which he continued but a short time, which did not cause but comparatively little pain to my son. The an-ANUFACTURERS of Steamboat and Sta-
